Phone: 9404641505 | Email: atiqnadafonline@gmail.com

LinkedIn: www.linkedin.com/in/atiq-nadaf-603871299

Objective

To start my career in the IT industry, leveraging my programming knowledge while continuously learning and contributing to impactful projects.

Education

1. **BCA** – COCSIT College Latur, SRTMUN University Nanded
2023 – 2026 , SY CGPA : 9.08
2. **Higher Secondary (Class XII), Maharashtra State Board**
Year of Passing: 2023 , Percentage: 62.33%
3. **Secondary (Class X), Maharashtra State Board**
Year of Passing: 2021 | Percentage: 80.20%

Technical Skills

1. **Programming Languages:** Python (Fundamentals)
2. **Web Technologies:** HTML, CSS, JavaScript

Projects

Project Title: Netflix clone

A responsive front-end clone of the Netflix homepage built using HTML, CSS, and JavaScript.

1. Designed the UI to resemble the original Netflix layout, including navigation bar, banner, and footer section.
2. Used CSS Flexbox/Grid for layout and media queries for responsiveness.
3. Implemented basic interactivity with JavaScript for features like hover effects and carousel scrolling.

Technologies Used: HTML, CSS, JavaScript

Languages

English, Hindi, Marathi

Hobbies & Interests

- Reading about tech and current affairs
- Coding and learning Python fundamentals
- Playing multiplayer games
